

Rep. Dennis Kucinich, Chairman of the Domestic Policy Subcommittee of the Oversight and Government Reform Committee, today announced a hearing examining the link between tumors and cell phone use.

Date: Thursday, September 25, 2008
Time: 11:00 a.m.
Location: Room 2154 of the Rayburn House Office Building

Background:

Cell phone use has grown exponentially, as has the science on the connection between usage and human health effects. This hearing will explore the evidence of links between cell phone use and health problems like tumors.
